January 10, 2019

Dear Parents,

As we begin 2019, please let me convey my best wishes for a happy and healthy new year! When you look at the school's January 2019 calendar, you will see that January 22nd, 23rd, 24th and 25th are listed as Testing and Regents Examination days. School will be closed on Monday, January 21st for Martin Luther King Jr. Day, and there will be no classes on Tuesday, January 22nd, and Wednesday, January 23rd. Only those students who have been notified that they need to take a standardized test or Regents examination on those days are to report to school. Regular class days resume on Thursday, January 24th. **Students in the ADL, CDP and DLC programs will have regular classes all week, including Tuesday, January 22nd, and Wednesday, January 23rd.** Please refer to the chart of examinations attached to this letter for exams being given on these dates. Students who receive bus transportation will be scheduled for pick-up and return. The bus times will be posted in the Main Office and are also attached to this letter. Students' second semester schedules will be available on the Parent Portal beginning on the evening of January 22nd. The third marking period and second semester classes begin on Monday, January 28th.

As we approach that time of year when **inclement weather** raises the possibility of a delayed opening or school closing, the following official announcement will be made on radio and television stations and posted on the district website - www.sewanhaskaschools.org.

"The five schools of the Sewanhaka Central High School District will be closed today."

OR

"The five schools of the Sewanhaka Central High School District will have a two-hour delayed opening."

In addition, New Hyde Park Memorial High School will use the **Connect-Ed** telephone/email/texting system to notify you in case of a delayed opening or school closing.

Sincerely,

Dr. Richard Faccio
