### Re: 11<sup>th</sup> GRADE PARENT NIGHT

Dear Parent/Guardian:

The spring semester of your child's Junior year in high school is the time to begin the planning and preparation needed for college. As you and your youngster develop this plan, there will be many questions left unanswered. The Pupil Personnel Services department will host an information night to address the college selection and admissions process, the importance of the SAT/ACT exams as well as the need to continue building a resume of extra-curricular activities and community service.

John Niven, chairperson of the Physical Education/Athletics Department, will also join us for the evening. He will provide an overview of the NCAA initial-eligibility process for students interested in competing in college level sports.

**Date:** Tuesday, February 13, 2018  
**Time:** 7:00 p.m.  
**Place:** Auditorium

We look forward to seeing you on the evening of February 13<sup>th</sup>. This meeting is a must for all parents of 11<sup>th</sup> graders. We would like the opportunity to help you and your child make the best decisions regarding their future.

Sincerely,

Marilyn Heyward, Chairperson  
Pupil Personnel Services
