

July 2019

Dear Parents/Guardians/Community Members;

It is with a great sense of honor that I begin my first year as the Superintendent of Schools of the Sewanhaka Central High School District. I am looking forward to working with each of you to ensure that our students have the best education possible

I would like to extend my sincere best wishes to all of our Class of 2019 graduates, as they begin the next journey of their lives. They should all be proud of the manner in which they approached their high school careers and know that they contributed positively to the Sewanhaka Central High School District.

As you are aware, the residents in each of the four component districts overwhelmingly approved the 2019-20 budget. The approved budget is at the legislatively allowed tax cap levy limit. Through the community's support of the passage of the budget, the District is able to continue to offer students all the exceptional education and co-curricular programs that they deserve.

Please accept my appreciation for the warm welcome I have received from many of you. The Sewanhaka Central High School District has a great reputation and I have heard many positive things about the exceptional community members, parents/guardians, staff, administration and most importantly, the students.

I wish each of you a restful and enjoyable summer.

Sincerely yours,

James J. Grossane, Ed.D.
Superintendent of Schools
