Earth Science Advanced

Grade Expectations

Student Name____________________________________

Classroom Rules and Procedures

1. Students should be prepared for class every day. They will need a binder, scientific calculator, pens/pencils, Earth Science workbook and a lab manual (Lab Manual and workbooks will be purchased at the school store).

2. Students are expected to arrive on time for class. Students not adhering to these guidelines will be marked late. Any student that is late three times will receive a cut slip and a phone call home.

3. Students must request makeup work the first day they return to school from an absence. The teacher shall set the time for the makeup work at the time of the student request. Assignments will not be accepted after the due date.

4. It is the responsibility of the student to save all worksheets, tests, and homework in their notebooks.

5. Students are expected to cooperate with all class and school rules. Cell phones, I-pods, and tablets are not to be used in class. Students and parents are advised to check the student handbook for appropriate dress code.

6. Homework will be assigned at least four times a week and may include completion of laboratory assignments, worksheets, text assignments, studying and castle learning assignments. Homework is designed to both reinforce and introduce material. Homework is usually based on the current topic and is reviewed/graded the next day.

7. The Lab component of the class must be completed according to the NYS policy. Failure to complete the number of lab hours required will result in not being able to take the Regents Exam.

8. Grading Policy: Tests 60%, Labs 15%, quizzes 10%, Homework 10%, Projects 5%

Science office: 539-9430
