PARENT/GUARDIAN CONFIRMATION AND PERMISSION SLIP
Forensic Science

Student and parent/guardian sign and return form to class.

I have read the course guidelines explaining the grading procedures, rules, and materials for this course.

This will also serve as a permission slip to allow your son or daughter to view certain films and/or documentaries that may be the equivalent of an “R” rating or content. Many forensic films and documentaries have scenes of disturbing or graphic content due to the nature of forensic analysis in murder or serial killer cases. In addition, if there is any reason why your child should not participate in a fingerprinting laboratory exercise, please contact me or the school.
