Momentos Culturales

The purpose of “Momentos Culturales” is to encourage you to be exposed to more of the Hispanic culture.

For each marking period, you must do an activity for each of the categories listed below:

- **Marking Period 1 – Cuisine** - Eat a meal in an authentic Hispanic restaurant
- **Marking Period 2 - Cinema** - Watch an approved foreign film in Spanish
- **Marking Period 3 – Sports** - Play a popular hispanic sport / attend a dance class / attend or watch a game or bull fight
- **Marking Period 4 – Cooking** – Cook/prepare a Hispanic dish for the class to enjoy

There may be times that I can provide an optional activity for the class to attend

- For each “Momento Cultural”, you will type up a reflection about your experience.
- All of your Reflections must be done in WORD.
- Each “Momento Cultural” is worth **100 points**. This will count as a quiz grade.
- You will email me your Reflection each Marking Period on or before the due date. Please label the subject of your email with your full name and your class period.
- Each marking period you will submit your proposal sheet (found on my webpage) on or before the proposal’s due date. I will sign off on approved proposals before you do any activities. You will print this out tonight. This should be kept in your Spanish class folder. You will need this each marking period. I will keep a log of this as well. You may not submit a Reflection that was not discussed and approved by me – you will not receive credit. The way you plan to prove that you did each activity must be discussed and approved by me on the proposal sheet as well.
- You must print out the rules to “Momentos Culturales”. This can be found on my webpage. You and your parents will sign this as your homework assignment tonight.
- Each activity/reflection must be submitted with your approved proof of the activity – this will usually be a picture of you doing the actual activity – it must be a clear picture. You may not
superimpose yourself in any pictures. If I don’t see you doing this clearly / in the mentioned place, you will not receive credit.

- Each reflection must be at least one page in length double spaced. Size 12 font – pictures are not included in the one page reflection. Do not waste space with big headings either, this will not be accepted.

- Reflections will be done in English.
